

WHAT'S
NEW HAMILTON CONTE
JANUARY
2020

The Hamilton Conte collection offers a complete range of interior furnishings.

The upholstery collection goes beyond typical geometrical design confines, with dynamic curves that characterise the brand's range. In an elegantly relaxed style, the furniture, lighting and home accessories ranges also break with tradition using organic forms and textures, surprising combinations of materials, and the marriage of aesthetics with function. Many pieces are a nod to personal anecdotes, people or travels from the designers' lives, and reflect a passion for storytelling. Through its wide selection of finishes and materials, Hamilton Conte offers the ability to produce items with a bespoke feel with the final product displaying exquisite craftsmanship and striking design.

On the Cover: Our Aggi armchair is an example of how we like to bring a bit of retro to interiors, an unusual product perfect on its own or as a pair. This page: Laura armchair, Barnabas sofa and our Gunilla chair.
